

Geographic location

1. On the following maps, identify Mississippi, the real city of Greenwood and Money, Chicago, and the Tallahatchie River, and the Yazoo River.
2. Based on Hiram's description, draw a map of Greenwood.
3. Identify all of the "Southern" states. (The states that seceded from the Union during the Civil War.)
4. Speculate how this specific geographic location might affect the plot (and real events) of Mississippi Trial, 1955. At least three ideas.
